1. Anne asks personal questions of Mrs. Van Daan. Write down something you would've liked to ask someone but didn't because it wasn't ok.
2. Do you agree or disagree with Anne that generations are different? How so? (ex. Ideas about dating, about propriety, etc)
3. Are the people who help them heroes and role models? Do they think of themselves that way?
4. What might have happened if more individuals had taken a stand against Nazi policy?
